

TRESPA NORTH AMERICA. LTD. ("TNA") TEN YEAR STANDARD LIMITED WARRANTY

1 Limited Warranty.

TNA warrants to the buyer to which TNA has sold its Panel(s) (the "Buyer"), for a period of ten (10) years after the date of delivery of the Panel(s) to the Buyer, that the Panel(s) conform to the specifications stated in the Material Properties Datasheet for the Panel(s) published on the date of delivery at www.trespa.info. Only the limited warranty specified at www.trespa.info as of the date of initial shipment of the Panels to the Buyer shall be applicable and effective.

2 Remedy.

In the event that a Panel or Panels fail to conform to this limited warranty, TNA shall, at its sole option and discretion, either repair the defective Panel(s) or furnish replacement Panel(s). The period of limited warranty applicable to a repaired or replaced Panel shall be the remainder of the unexpired period of this limited warranty. If TNA chooses to repair the defective Panel(s), TNA must be allowed to make the repair. If TNA chooses to supply new Panel(s), TNA is only obliged to supply Panel(s) that matches the color of the Panel(s) originally supplied as closely as possible and is not obliged to supply an identical color.

3 Limited Warranty Conditions.

4. upon delivery of the Panel(s) to the Buyer, the Buyer shall have promptly inspected the Panel(s) to determine the presence of any patent defects (meaning any defects that are apparent, or should have been apparent, to the Buyer by a visual inspection), and the Buyer shall have notified TNA of any such patent defects in writing within five (5) days of the date of delivery of the Panel(s) to the Buyer, or within five (5) days of first inspection provided such inspection occurs within a year and the Panel(s) have been stored according to the guidelines specified at www.trespa.info;
5. the Panel(s) shall not have been modified or altered following delivery of the Panel(s) to the Buyer except as necessary for proper installation meeting all applicable building codes and standards;
6. for purposes of making a claim under this limited warranty for anything other than a patent defect described above, the Buyer shall have notified TNA in writing of any alleged defect within five (5) days of the date that the Buyer discovered or should have reasonably discovered such defect, and submitted the claim to TNA accompanied by this limited warranty, and with evidence that the Panel(s) were purchased by the Buyer directly from TNA; and
7. upon receipt of a claim pursuant to this limited warranty, TNA shall have been afforded reasonable opportunity to inspect the allegedly defective Panel(s) and the Buyer shall have provided TNA with any and all information and documentation in the Buyer's possession or control regarding the Panel(s), including information concerning installation and maintenance.

4 Limitations of Damages Exclusive Remedy.

REPAIR OR REPLACEMENT OF DEFECTIVE PANEL(S) SHALL BE THE SOLE AND EXCLUSIVE REMEDY HEREUNDER. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, TNA SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR BREACH OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED. TNA is not liable for indirect losses, losses incurred by third parties, or losses to the extent covered by any insurance taken out by the Buyer. Removal and reinstallation of Panel(s) repaired or replaced under this limited warranty shall be at the Buyer's sole cost and expense which shall include the following costs: the cost of dismantling a supporting structure, the costs of repairing a supporting structure, the cost of repairing paintwork or materials, and other similar costs. All rights and claims that the Buyer has under this limited warranty expire ten (10) years from the date on which the Panel(s) are delivered to the Buyer.

5 Exclusions.

This limited warranty does not cover any defect in any materials or components other than the Panel(s), or damages attributed to causes unrelated to the Panel manufacturing process, including but not limited to incorrect, faulty or improper handling and/or installation, damages caused by or resulting from the combination or assembly of any such other materials or components with the Panel(s), normal weathering, exposure to corrosive elements in the atmosphere, mildew, the use of harmful cleaning compounds, windstorm, sandstorm, natural disaster, riot, vandalism, malicious mischief, impact, unreasonable use, misuse, physical abuse, accidental damage, act of war, terrorism, civil disobedience or any "force majeure" whatsoever.
